

**ATTENTION!! IMPORTANT INFORMATION FOLLOWS**

WHILE THE COST OF THESE UNITS MAY SEEM HIGH, THE SAME TO SOME PEOPLE, THE COST IS ACTUALLY EXTREMELY LOW COMPARED TO THE COST OF AN INFLATABLE BOAT. USUALLY THESE COST A MINIMUM OF SEVERAL THOUSAND DOLLARS AND UPON REALIZING THIS THE COST OF AN INFLATABLE WATERSLED SEEMS REASONABLE BUT NOTHING IS MAINTENANCE-FREE AND THEY MUST BE INSPECTED AND REPAIRED PROMPTLY IF DAMAGE IS NOTED. MANY OWNERS EXPECT TO BLOW THEM UP AND USE THEM FOR A NUMBER OF YEARS WITHOUT ANY REPAIR OR MAINTENANCE WHATSOEVER. THIS IS NOT A REALISTIC EXPECTATION. ALL INFLATABLES CAN LEAK OR GET DAMAGED AND IF THEY ARE UNREPAIRED THEY CAN BE RUINED TOTALLY. PLEASE FOLLOW THESE GUIDELINES:

0 DO NOT UNDER INFLATE

IF THE ITEM IS INFLATED WITH AN ELECTRIC PUMP IT MUST BE FULLY INFLATED AND FINISHED OFF WITH A FOOT PUMP. THIS CANNOT OVER INFLATE IT. **DO NOT** USE AN AIR COMPRESSOR, THIS BLOWS MOIST AIR INTO THE UNIT AND CAN CAUSE DAMAGE.

0 DO NOT DRAG

0 ON PURCHASE, USE FOR A WEEK OR TWO AND THEN FULLY INSPECT TO MAKE SURE TAPES ARE NOT COMING UP. IF THEY NEED TO BE GLUED PROMPTLY AND PROPERLY ACCORDING TO THE INSTRUCTIONS. EXTRA PINTS OF GLUE ARE AVAILABLE AT \$25 UPON REQUEST WITH FREE DETAILED INSTRUCTIONS WHICH MUST BE FOLLOWED **EXACTLY** FOR THE REPAIR TO HOLD PERMANENTLY.

0 IF ANY LEAK IS DETECTED, THE UNIT MUST BE REPAIRED IMMEDIATELY OTHERWISE FURTHER DAMAGE IS LIKELY AND WILL NOT, THEREFORE, BE COVERED UNDER WARRANTY.

0 IF THE INSTRUCTIONS ARE NOT FOLLOWED **EXACTLY** THE REPAIR WILL NOT HOLD. THIS IS A COMMON PROBLEM WITH NEW OWNERS IN THAT INSTRUCTIONS ARE FOLLOWED MORE OR LESS AND AS A RESULT THE REPAIR DOES NOT HOLD AND THE UNIT IS SENT BACK TO THE REPAIR STATION BECAUSE THE REPAIR JOB WAS DONE SO POORLY.

0 FOLLOWING REPAIR THE UNIT NEEDS TO SIT FOR **24 HOURS**, IF THIS INSTRUCTION IS NOT FOLLOWED THE REPAIR WILL NOT HOLD.

IF YOU HAVE ANY QUESTIONS WHATSOEVER ON THE REPAIR OR EXPECTATION OF THESE UNITS PLEASE CONTACT THE REPAIR STATION OR SELLER OF THE UNITS IMMEDIATELY.

PLEASE READ AND ADHERE TO THE SAFETY INSTRUCTIONS THAT ARE PROVIDED TO ENHANCE YOUR ENJOYMENT OF THE UNIT AND USE WITH COMMON SENSE.
